Dear

**Shropshire Older Peoples Assembly
Public Meeting
Shrewsbury Town Football Stadium, Otley Road, Shrewsbury
Tuesday 7th February – 10.30am to 1.00pm**

The Shropshire Older Peoples Assembly is pleased to invite you to our first public meeting of 2012. As you are all aware, Shropshire Council, in common with all local authorities, is facing a major problem in the provision of community services because of the current financial crisis facing the nation as a whole. In a county such as ours, with a large and increasing older population, this has the potential to impact severely on the most vulnerable older people in our community.

Our meeting on 7 February presents you with the opportunity to hear at first-hand how the council plan to tackle the problems, and will enable you to ask questions and make comment on the proposed solutions. As you will see from the attached agenda, there will be presentations on the council budget for 2012/13 and on the transition of social care in the county.

We really do hope that you will be able to join us on 7th February. For those of you who live outside Shrewsbury, and are not familiar with the football stadium, ample free parking is available to all adjacent to the stadium and conference suite entrance.

Though this letter is delivered to you personally, the assembly will be pleased to welcome anyone from your organization who wishes to attend. It will be most helpful if you can contact Bridget on 01743 244640 to let her know if you will be attending.

Yours sincerely

M J Seale
On behalf of the Older Peoples Assembly
