

Deafblind Communicator-Guide Support Worker Course (Signature DBG2)

This 5-day nationally recognised course is a specifically designed certificated course tailored to meet the needs of support workers and professionals working with deafblind people. It consists of the following learning outcomes:

- Definition and groups of deafblind people
- Effects including emotional, physical and mental well-being
- Communication methods: including Deafblind manual, 'Block' alphabet, lip-reading, clear speech, facial expressions, gestures, BSL finger-spelling and good practice techniques
- Access to information
- Safe guiding (internal and external activities), environmental information and impact on movement, orientation and mobility
- Simulation exercises
- Specific equipment available
- Legislation and Services

Deafblind Enablement is a registered exam centre with Signature / CACDP. Delegates will undertake the certificated examinations (K202, T201, T202). This is currently the only nationally recognised qualification available for people working in the field of deafblindness, apart from the Diploma in Deafblind Studies.

Places are available on this course with exams at the following venues/dates for 2013:

Durham: 9, 10, 29, 30, 31 October 2013
Fetcham, Surrey: 16, 17, 23, 24 & 25 October. 2013
Sandwell, Birmingham: 5, 6, 15, 18 & 19 November 2013
