IDAHOT SCREENING

To mark this years International Day Against Homophobia, Biphobia and Transphobia (IDAHOT), Shropshire Rainbow Film Festival are screening the documentary "This Is Gay Propaganda: LGBT Rights & the War in Ukraine" in Shrewsbury.

For the past two years, a Gay Propaganda Law has been in force in Russian-dominated eastern Ukraine and Crimea. "This Is Gay Propaganda: LGBT Rights & the War in Ukraine" follows several LGBT and feminist activists who, after horrific experiences at the hands of Kremlin-funded militias, have fled eastern Ukraine for the relative safety of a shelter in Kyiv. It also investigates the rise of hate crimes and nationalist fervour in central Ukraine, and the creative resistance of the LGBT activists as they organize for their first Pride Day since Euromaidan. **Tickets £5/£4 Concession**
