

The Inclusively Fit Project is delighted to invite clubs and organisations within Shropshire, Telford and Wrekin (ST&W) to be part of the first Inclusive Sport and Activity Roadshow a week that celebrates opportunities to be active, regardless of background, age or ability.

Clubs and organisations are encouraged to sign-up to run recreational activity sessions as part of a series of open taster days on a date and time of your choice, from:

***Monday 19<sup>th</sup> September - Sunday 25<sup>th</sup> September 2016***

The open day(s) will be promoted through our various local, regional and national partner networks, with the intention of encouraging anyone from across ST&W to come along and experience inclusive or disability-specific activities that they may never have tried before.

Our aim is to offer a broad range of opportunities for all impairments to ensure that there is something on offer for most people - particularly focusing on family-friendly activities.

### **Inclusive Activity Roadshow**

This is an exciting opportunity to widely promote your organisation and to also help to raise the profile of various inclusive / disability sports which are delivered across the county. You can run taster sessions for children or adults and encourage new members and/or volunteers to join in for the long term. You may have other ideas too, such as holding a competition/tournament, a multi-sport festival, a family-fun day, or simply delivering one of your regular sessions that places an emphasis on inclusion!

Your activity sessions will be promoted via a dedicated digital marketing campaign and promotional literature. This really is an opportunity to be part of something special, and not to be missed!

***Thank you in advance for your involvement and support of  
#InclusiveRoadshow #ActiveWM***

***Please follow our Twitter account [@Inclusivelyfit](#) and Facebook page [facebook.com/inclusivelyfit](#) for all the latest information.***
