# Working In Partnership

The Shrewsbury and Telford Hospital NHS Trust is holding a Working In Partnership engagement event as part of our plans to improve partnership working with local community groups.

The event, which is open to all community, voluntary and third sector organisations, will provide the opportunity to share information about who we are and what we do as an acute provider. We will also be asking for your ideas on how we can effectively engage with you and your local community.

The event will take place on Friday 19 May from 9.30am until 12noon at The Shropshire Conference Centre at the Royal Shrewsbury Hospital.

To book your place at this event please email [members@sath.nhs.uk](mailto:members@sath.nhs.uk) or telephone 01743 261 473.
