

# Lino

# Printing

Our 10-week Lino printing course will take you through the entire process of producing a lino print from first ideas to finished product. Using nature and Christmas as inspiration you will be able to experiment with different textures and colours and develop your own individual style to create original artworks or your own Christmas cards. As sharp cutting tools are used, you must be willing and able to follow appropriate safety guidelines.

**The Gateway Education and Arts Centre, Chester Street,  
Shrewsbury, SY1 1NA**

**10.00 – 12.00**

**Starting Thursday 15 October 2020**

**These sessions are totally FREE and are part of the BBO Programme**

To be eligible you must be unemployed (not in work but looking for work) or economically inactive (not in work and not currently looking for work) but would like to think about work in the future. You must also have the right to live and work in the UK

Everything is provided so all you need to do is turn up, but **BOOKING IS ESSENTIAL** so that we can provide enough equipment
